

## Online Live-Stream Instruction Option

1. The Online Live-Stream Instruction Option is available for those families who are uncomfortable returning to campus at this time for concerns related to COVID-19.
2. The Online Live-Stream Instruction Option (OLSI) is a temporary measure which can be ended at the school's discretion upon consultation with and guidance from school administration and diocesan officials.
3. Families that choose this option must continue with OLSI for the entire trimester. The administration reserves the right to review any online instruction enrollment and make changes as needed.
4. Families can register for this option via email to Mrs. Ahearn: [dahearn@saintpaulschool.com](mailto:dahearn@saintpaulschool.com)  
This must be done by Friday, August 7, 2020.
5. All Online, Live-Stream Instruction students will be sent information and grade-appropriate expectations during the week of August 17, 2020.
6. The Online Live-Stream Instruction option is not the same as the remote learning option offered last spring. Students will be expected to attend and participate in daily classes. Class schedules will be emailed during the week of August 24, 2020.
7. Students must be present for class every day and at the time that class starts. Specialty classes will be included in OLSI. Attendance will be recorded for each class and reported accordingly.
8. Students must wear school uniforms while participating in Online, Live-Stream Instruction classes.
9. Students using this option must adhere to all policies in the 2020-2021 Parent Student handbook. Particular attention should be given to the policy on Academic Integrity. Students who are proven to have had an honor code violation will receive the appropriate consequences and in addition may lose the option of Online Live-Stream Instruction.
10. All students, both those on campus and those attending online classes, must meet all academic deadlines and due dates.
11. The make-up work policy for online learning students is the same as that for students physically attending classes.
12. Parent Conference hours are before school or after school.
13. Students having technical questions should contact Mr. Brandon McCurry

16. All Diocesan waivers must be signed and returned prior to the start of the academic year, in order to be registered for In-Person or Online Live-Stream Instruction.
